Director of Information Services

STAT

SUBJECT: Release of the Manual

1. As we discussed, I called Harry Fitzwater on 9 November 1984 and reported that we were receiving FOIA requests for the manual which has been the subject of press attention. We understood that the DCI had authorized George Lauder to release the manual and when we discussed our FOIA requests with Lauder, he deferred to [redacted] I told Harry that we were in no position to make this substantive judgement, and suggested he look into the matter.
